SENATE HOLDS UP RELIEF MEASURE

Amendment Providing Admission of Foreign-Built Ships to Registry Not Passed.

Washington, Aug. 7 .- Confronted ith the problem of disposing of the untry's enormous grain and cotton rops, the administration to-day made plans for a conference in Washington ext week of representatives of the leading shipping interests and foreign exchange bankers.

The bankers have been asked to ome to Washington to formulate he use of international bills of exchange. The shipping men will be saked to move American grain and otton to the European markets which have taken them so liberally In announcing the conference call,

Secretary McAdoo said:
"It is vital importance to the country that two things be done as quickly as possible; first, provide ships to move our grain and cotton crops to European markets; the second, restore through the bankers the market for foreign bills of exchange.

"Grain is a very pressing problem at the moment, because the crops have been largely harvested and the movement is already well under way.

mave been largely harvested and the movement is already well under way. The cotton movement is not so advanced, and will not be for a few weeks. It is my purpose to invite a conference on the subject of cotton to be held at an early date, of which announcement will be made later. These are important questions for the American people, and every possible effort will be made by the adminis-tration to co-operate in the move-

THE WEATHER REPORT

Forecasts and Records of the

Last Twenty-four Hours.

Official Record and Forecast.-Washington, Aug. 7.-Weather conditions and general forecast:

Another northwest Canadian disturbance has reached Manitoba and this, with the high area over the Atlantic Ocean, has re-suited in generally high temperatures throughout the country, except in the south and the far northwest. Weather conditions are generally unsettled, with local thunder showers of minor character in the St. Lawrence Valley, the lower Lake and region, the Ohio Valley, the central Rocky C. Mountain region and Minneaota. Thunder it shawers of more substantial character also continued in the South Atlantic and Gulf states. Elsowhere the weather was fair.

As there is no decided pressure rise following the northwest disturbance, high temperatures will continue during the next few days over the districts now affected, and it will also be somewhat warmer in the South. Thunder showers will continue in the South. Thunder showers will continue in the south Atlantic and east Gulf States and occasional local showers are also probable in the tentral valleys and the upper Lake region. Over the remaining districts more or less unsettled, but probably without rain of consequence. From the plains states westward fair weather will prevail. Winds for Saturday and Sunday: North and middle Atlantic, moderate, mostly south south Atlantic, gentle to moderate, west Gulf, moderate southeast; west Gulf, moderate southeast and south.

east and southeast; lower Lakes, moderate variable.

Forecast for Special Localities.—Eastern New York, Eastern Fennsylvania and West Virginia, unsettled, probably local showers Saturday; Sunday fair.

Southern New England, partly cloudy Saturday; Sunday fair.

New dersey, Northern New England, Western New York, Weatern Pennsylvania, Delaware and District of Columbia, generally fair Seturday and Sunday.

Maryland, fair Saturday, except probably thunder showers in extreme west portion; Sunday fair and warm.

Virginia, generally fair Saturday; Sunday probably showers.
